About Us

“A breath of fresh air”

Exhibitions that command attention are no accident! They take careful planning, creativity, experience and access to quality, innovative infrastructure. At **Townsville Events** our aim is simply to provide the highest quality products and services to the exhibition and event industry. This objective has earned us a strong reputation for delivering quality, effective solutions on time and on budget.

We are happy to design, build, install and service everything from complete exhibitions to fully customised stands, registration booths, and product displays, or we will simply provide furniture, accessories, signage or lighting for an exhibition stand. We constantly source new equipment to ensure our clients have access to the latest trends. And if by any chance there's something not in our equipment list, our professional service will assist with finding it.

We achieve this by being one of the largest suppliers in North Queensland. We are constantly sourcing innovative new products and styling ideas and our experienced staff can give creative advice on a one to one basis. Whether its about venue options, exhibition design or logistical support we have the expertise to make any exhibition a success.

**“Exhibitions that create an impact
and command attention”**

Management Philosophy

The success of **Townsville Events** is a direct result of its management philosophy and commitment to excellence.

- Our clients receive prompt communication from initial contact, through to completion of their event.
- The relationship is 100% client focused, we talk to our clients and listen to their objectives.
- Our mission to “never let the client down” is a strong statement of how seriously we view our responsibility to our clients.
- Ethics and honesty, we build partnership striving for the best outcomes.
- Innovation and creativity.
- We offer flexible services to accommodate any brief and budget.
- Strong financial management.
- Continuous training and procedural improvement.
- A low risk choice for the longer term and a friendly professional partner to work with.
- A reputation for success - 2009 HRIA Australian Hire Company of the Year, Event Division Finalist, but more importantly we deliver successful outcomes to our clients.

“A breath of fresh air”

Exhibition

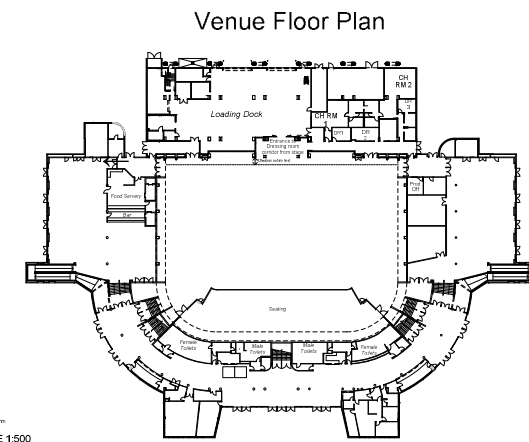

When engaging the services of Townsville Events for your next exhibition, you can be assured that we have the experience to deliver your exhibition on time and on budget. We work in partnership to ensure this and provide the following services.

- Preparation of CAD designed venue floor plan of the overall exhibition layout.
- Preparation of 3D models of exhibition stands for inclusion in exhibitor prospectus.
- Amendments to floor plan once selling has concluded, detailing location of shell scheme and custom booths.
- Liaison with exhibitors on fascia signage requirements.
- Liaison with exhibitors on furnishing requirements and stand upgrades.
- Management of the exhibition installation.
- Onsite management of the bump in process, including the positioning of custom stands.
- Manning the exhibition area, during exhibitors bump in to handle exhibitor requests.

Exhibition Services

- CAD designed floor plans
- Shell Scheme
- Signage & Displays
- Furnishings

- Custom Stands

“Creating functional and distinctive spaces”

Booths can be supplied in a variety of sizes and design, however as standard are provided with the following inclusions:

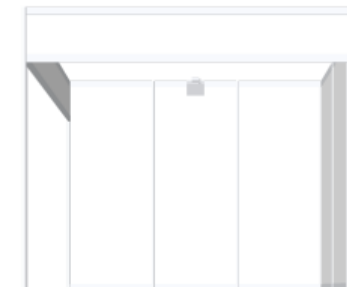

- Walls:** White melamine walls in an anodised aluminium frame 2.5m high
- Fascia:** White melamine board 250mm deep with curved section
- Signage:** 1 sign per stand in black cut out vinyl lettering - max 30 characters
- Lighting:** 1 x 150 watt directional spotlight
- Power:** 1 x 4amp outlet

Basic Stand Upgrades

Stand upgrades do not necessarily mean big budgets. By simply adding a curved extrusions or display module, your exhibition can take on a custom feel. Below is an example of a cost effective stand upgrade.

Standard Booth

Standard Booth (Open Isle)

Standard Configurations

Width	3m	3m	3m	2.4m
